Dear Mr. Rittenberg ,

Both personally and on behalf of the Seminole County Cooperative Extension Service and the University of Florida Master Gardener Program, I thank you for your exceptional raffle donation in support of the Seminole County Master Gardener EXPO. This was the second year for the EXPO event planned and produced by the Seminole County Master Gardeners and your participation helped make it possible. By all measures the EXPO was a resounding success resulting from a year of planning, coordination, and production. Proceeds from the raffle help fund Master Gardener programs such as the EXPO and Spring Garden Tour. Your generosity in donating to such a worthy cause is most appreciated.

With the highest of regards,

Dr. Al Ferrer, Ph. D.
